

60 MIN MAT PILATES- WARM UP, CORE, ARMS, GLUTES, LOWER BODY, & COOL DOWN

Class title: Mat Pilates **Duration:** 60 min; **Equipment:** mat

Class Purpose and Objectives: Focus on the mind and body connection, stretch the total body, and work the upper body, core, and legs

INTRODUCTION (2 Minute)

Warm-Up (Standing-5 Minutes)

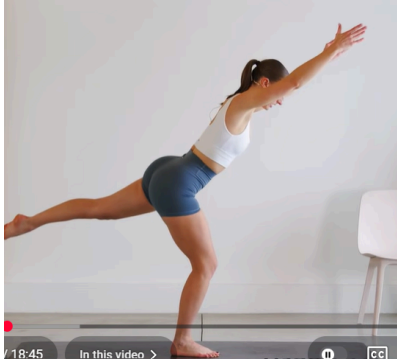

Duration	Move	Transition cue	Movement
1 min	Knee pulls alternating legs	Stand up tall with spine straight. Feet hip width apart	pull one leg towards the chest using hands under knee. Switch sides
30 sec	Standing roll down	Stand up tall with spine straight	Inhale as you initiate movement through the chest, exhale begin rolling down the chin towards the chest, round the shoulders, then upper back, finally lower back and reach all the way down with straight legs or a slight bend in the knee. Inhale at the bottom, exhale and curl back up vertebrae by vertebrae
30 sec	shoulder rolls	Stand up tall with straight spine, fingers on shoulder blades	Begin to roll both shoulders simultaneously, initiating the movement through the shoulder blade and not the back; ensure you're not swinging the body
1 min	Sumo squat and hand lifts	Bring your feet to a wider stance, turning your toes out from the hips	Inhale, to lower down sweeping the arms across; exhale, extend up all the way, sweeping the arms upwards, reaching up towards the sky

30 sec	Hip circles	Bring feet so that they are parallel, place arms on hips	Draw large and slow circles through the hips. Reverse direction after 15 sec
30 sec	Squat to twist	Bring feet closer together, should-width apart.	Square down and on the way up, with the arms stacked horizontally at the height of the shoulders, twist a single leg towards one side, shift the gaze towards that side. Lower down to a squat and repeat

end→ 1 min rest before beginning standing circuit

Circuit #1: Standing lower body- 7 min (no rest between)

Duration	Move	Transition cue 10 sec	Movement
30 sec	Squat -> add arms	Stand tall with hands by the hips	Square down in a chair pose and lift arms up with control. Hinge at the hips
30 sec	Squat hold	Same position as before, low chair-pose square with arms lifted next to ears.	Without a rest, stay low and hold, closing the ribs and tucking the pelvis under
30 sec	Squat hold leg lift (R)	Come up half-way to chair-pose square with arms lifted next to ears.	Without a rest stay low and hold, closing the ribs and tucking the pelvis under; point and lift the right leg up and back, squeezing the glutes. Stay square to mat 
30 sec	Squat -> add arms	Stand tall with hands by the hips	Square down in a chair pose and lift arms up with control. Hinge at the hips

30 sec	Squat hold	Same position as before, low chair-pose square with arms lifted next to ears.	Without a rest, stay low and hold, closing the ribs and tucking the pelvis under
30 sec	Squat hold leg lift (L)	Come up half-way to chair-pose square with arms lifted next to ears.	Without a rest stay low and hold, closing the ribs and tucking the pelvis under; point and lift the left leg up and back, squeezing the glutes. Stay square to mat 
1 min	REST		
45 sec	Side to back kick(R)	Standing with a slight bend in the knees, hands on waist	Open left leg to the side using left glute muscle; bring it back to center still hovering the leg in the air, and hinge forward as you kick leg towards the back of the room
10 sec	switch sides		
45 sec	Side to back kick(L)	Standing with a slight bend in the knees, hands on waist	Open left leg to the side using right glute muscle; bring it back to center, still hovering the leg in the air, and hinge forward as you kick leg towards the back of the room
45 sec	single-leg deadlift (SLDL) to knee tuck (R)	Left leg goes slightly forward with most of the weight, right leg back, have a slight bend in the knees. Arms besides hips	SLDL: Lift right leg and hinge forward, touching right hand to the ground.

			 Knee tuck: Lift leg back to original position and place left arm horizontal where right leg lifts towards  P-> pulse leg at knee tuck twice, keep loeg hovering R-> place foot on ground in between reps
45 sec	single-leg deadlift (SLDL) to knee tuck (L)	Right leg goes slightly forward with most of the weight, left leg back, have a slight bend in the knees. Arms besides hips	SLDL: Right right leg and hinge forward, touching lefthand to the ground. Knee tuck: Lift leg back to original position and place left arm horizontal where right leg lifts towards

			P-> pulse leg at knee tuck twice, keep loeg hovering R-> place foot on ground in between reps
--	--	--	--

End→come to seated + grab water

Circuit #2: glutes and core-> 9 min 30 sec (10 sec break)

Duration	Move	Transition cue	Movment (40 sec + 10 sec break/ optional 10 sec pulse between moves)
1 min rest	Rest	Come to tabletop position with hips squared to mat, left hand straight and right hand on elbow. Option to be have both straight extended, or both elbows bent	
40 sec	Leg lif (L)	Extend left leg straight	Lift left leg up using left glutes, engage the core
40 sec	Side crunch (L)	Lift leg up so that it is straight and left glute is engaged	Crunch left leg towards the left elbow and extend back out,
40 sec	Cross body crunch (L)	Lift leg up so that it is straight and left glute is engaged	Bend left and crunch it over across the right leg, lowering the elbows back. Extend outwards and repeat
40 sec	Combine Side crunch (L) + Cross body crunch (L)		Alternate between Side crunch (L) and + Cross body crunch (L)
40 sec	Side crunch with leg extension		Crunch left leg towards the left elbow, extend leg straight to the side, then extend back out and repeat
40 sec	Half rainbow (L)	Extend left leg and point	In a circular motion lower the left leg towards the left side of the ground, lift back up and repeat
30 sec break			

-> repeat on right side

End→Tale childes pose, Lower hips, come to seated

Circuit #4: core -> 11 min and 30 sec (10 sec break) x2

Duration	Move	Transition cue (10 sec)	Movment
1 min	Transition	Role on to stomach with extended legs and arms by sides	
45 sec	Toe taps alternating legs	Bring legs up to a tabletop position	Tap one leg down pointing the toes, lift back up and alternate legs. The head neck and shoulders can stay on the ground or be lifted for an increased challenge
45 sec	Toe taps both legs	Stay in tabletop position with lifted legs	Tap both legs down
45 sec	Toe tap to reverse crunch	Stay in tabletop position with lifted legs	
45 sec	Alternatinbg bird dogs		
45 sec	Single leg stretch		
45 sec	Scissors		
30 sec	rest	Hug knees in, get ready to repeat	

End→Lower down onto knee, sit back for rest+ water and eventually meet me standing

1. Controlled lifts with focus on alignment
2. Add pulses at the top of the lift
3. Add small leg circles in both directions
4. Hold leg lifted for time

Circuit #4- side body -> 8 min (*no break until switching sides)

Duration	Move	Transition Cue	Movement
----------	------	----------------	----------

1 min rest	Rest	Cue full circuit (Starting on right side)	
30 sec	Leg lifts (L)	Lay on the right side of the body, facing ____ left leg stacked on top of right	
30 sec	Pulse leg at the top		
30 sec	Large leg circles		
30 sec	Small leg circles		
30 sec	Static hold		
30 sec	Clam shell openers		
30 sec	Clam shell openers with kick		

→ 30 sec break → Repeat on left side

Circuit #5: -> 5 min upper body and back

Duration	Move	Transition cue	Movement
1 min rest	Rest	Cue full circuit (Starting on right side)	
40 sec	Back rows (L)		
40 sec	Hand lift row to lift		
40 sec	Repeat on right		
40 sec	Pilates push-ups		
40 sec	High plank shoulder taps, alternating hands		

20 seconds break → Repeat on left side

End → Cue: sit up tall with legs crossed

Cooldown (10 min)

Duration	Move	Transition cue	Movement
30 sec	Overhead arm stretch		Extend arms overhead along the mat. Inhale reaching through fingers and toes to lengthen the body. Exhale relaxing shoulders and allowing the chest to open.
1 min 30 sec	Seated Straddle		Sit on the floor. Spread your legs wide apart into a V-shape. Fold over right leg (30 sec). Then fold over left (30 sec). Fold over middle (30 sec)
1 min	Side twist	Sit with legs crossed	Twist towards the left side, grabbing left knee with right hand and left hand towards the back. Switch sides after 30 sec
	Slowly roll onto back		
30 sec	Knee to chest stretch (L)		
30 sec	Knee to left (L)		
30 sec	Knee to chest stretch (L)		
30 sec	Knee to left (L)		
3 min	Shavasana	Lie comfortably on back with arms relaxed at sides.	Slow inhale through the nose, slow exhale through the mouth. Allow the body to fully relax and breathing to settle naturally.

end→ come to seated

Closing words: Thank you for coming today and working out early in the morning, amazing job!
Don't forget to wipe down your mat. See you next time!
