

60 MIN WARM UP + ABS & ARMS & GLUTES CIRCUITS + LOWER BODY HITT with band

Class title: Mat Pilates **Duration:** 60 min; **Equipment:** mat, band

Class Purpose and Objectives: Focus on the mind and body connection, stretch the total body, and work the upper body, core, and legs

INTRODUCTION (2 Minute)

Warm-Up (5 Minutes)

Duration	Move	Transition cue	Movement
1 min	Child's pose with side stretches	come to table top, hands aligned with shoulders, hips distance apart with a neutral spine	Bring big toes together, knees wide apart, crawl the hands towards the top of the mat as you lower your hips towards the ankles and place your forehead on the mat. Side body stretch→ bring right hand to top right corner and stack left hand on top. Inhale back to center, repeat on left.
1 min	cat and cows	Lift hips up and neutralize the spine coming to tabletop	Come to all 4s position starting with a neutral spine, inhale as you initiate movement through the chest, lifting it towards the ceiling, along with your gaze if it feels comfortable on the neck. exhale as you round your back and lift the gaze towards the ceiling, not dumping lower back
1 min	thread the needle	Come to neutral tabletop	Still in all 4s, pelvis parallel to the ground, lift right hand up, opening up the right side of the body, then move right shoulder below left shoulder as you thread the right arm under your belly, stay in this pose for a few seconds. Exhale to bring hand back up and then come back to neutral. Switch sides

1 min	alternating bird dog - -> add wrist circles	Come to neutral tabletop	From tabletop position extend right arm forward and left leg back,. Hold briefly, then return to center and switch sides in a slow, controlled manner. Add wrist circles as extended keeping hips square to the mat and core engageds
1 min	Downward dog to hovering tabletop	In neutral tabletop, lift knees off the ground	Shift hips back and lengthen through the upper body to come to a downward facing dog, take a breath here and shift hips back to hovering tabletop

end→ sit back onto heels, meet me in a seated position place band below knees

Circuit #1: Core Circuit- 6 min (10 sec rest between)

Duration	Move	Transition cue 10 sec	Movement
1 min	rest	Cue next movement- 5 exercises	
40 sec	Tabletop crunch - Bend below knees	Tuck pelvis, imprint back onto mat, lift legs up	Band right below knees, lift the head and shoulders, draw stomach in, exhale and curl up, inhale to lower
1 min	Hundredth - Bend below knees	From tabletop, extend arms besides the body	From the lifted curl, extend arms besides the body and flutter them up and down. Breath in 2 3 4 and out 2 3 4 and in 2 3 4 and out 2 3 4- 20 2 3 4 and out 2 3 4- 30...
10 sec	rest	Move band down to ankles	
40 sec	Leg Lowers - Band around ankles	Extend legs up, perpendicular to the body	Lower legs toward floor → lift back to tabletop (option curl up)
40 sec	flutter kicks up and down - Band around ankles	Stay with legs extended straight upwards	Back flat on mat inhale to prepare, exhale, flutter legs up and down slowly lowering them towards the mat. Return slowly without fluttering and repeat
10 sec	rest	Move band down to around wrists	

1 min	Roll ups - band around wrist	Extend legs on mat, extend arms straight above head	On the mat, inhale to prepare as you stretch the arms above the ears and legs straight out. Exhale to bring shoulders up, lift the chest and slowly roll up to seated, reach finger tips forward, and slowly roll back down
40 min	Russian twist - band around wrist	From seated position, bend knees towards the body, option to lift feet off the mat	From a seated position, with band around wrists, exhale and to the right, inhale twist to center, exhale twist left, and repeat

End→come to seated + grab water

**Circuit #2: Glutes -> - Band placed around thighs (10 min)
(no break)**

Duration	Move	Transition cue	Movement (40 sec)
1 min rest	Rest	Cue full circuit, remind that there are no breaks in between	
40 sec	Donkey kick (L)		Coming to tabletop, keeping the 90 degrees bent in the knees, lift leg up as you resist band and hold for a second at the top. Exhale as you squeeze at the top
40 sec	Donkey kick + crossover		Donkey kick up, and then cross the left leg over the right, touching the knee down, and kick back up
40 sec	Donkey kick + downward dog crunch in (L)		from tabletop, bend lift leg at 90 degrees up towards the ceiling As you lower down, lift the grounded knee off the mat and straighten leg, exhale to crunch the working leg in towards the chest, inhale and return to tabletop. Repeat
40 sec	Leg extensions (L)		From tabletop, extend the straight back leg and lift towards the ceiling with control. Exhale at the top holding for a second
40 sec	Leg pulses (L)		Extend the straight back leg and pulse up and down
40 sec	Rainbow (L)		Extend left leg straight back, tap your toe to the outer side of your opposite foot, then lift your leg up in a wide arc to tap the floor on the other side

1 min (only between left and right sides)	Rest and switch sides		
---	-----------------------	--	--

Repeat on right side

End→Lower hips, come to seated

Circuit #3: - legs focused X 2 with band around thighs (switch sides)

Duration	Move	Transition cue (10 sec)	Movement
1 min	Transition	Come to standing Cue the following 6 movements:	
30 sec	Static single-leg squat (L), right heel lifts and lowers	Lift right heel, lower to a squat	Lower to a squat and hold, left leg planted on ground, right heel lifts and lowers staying in a static low squat
10 sec	rest		
30 sec	Single leg squat (L)+ leg opener	Stay in low squat with right heel lifted	With that lifted right heel, open hips towards the right, rotate the right knee outwards and twist the right heel
30 sec	Pulse leg openers (L)	Stay in low squat with right heel lifted	With that lifted right heel, pulse out by adding small knee rotations outwards
10 sec	rest		
30 sec	full-range single-leg squat (L), right heel lifted	Stay in low squat with right heel lifted	left leg planted on ground, right heel lifted with toes on mat, arms in prayer at chest height, squat down
30 sec	Side squat to curtsy lunge (L)	Stay in low squat with right heel lifted	Left leg planted on ground, right heel lifted with toes on mat, arms in prayer at chest height, bring right leg far to the right, squat. Shift weight to the left leg and sweep the right leg diagonally behind into a curtsy lunge, lowering straight down with hips square. Press through the left heel to rise, step back to wide, then tap right toes to center. Repeat.

30 sec	Curtsy pulse (L)	Stay in curtsy lunge	weight in the left leg, the right leg diagonally behind in a curtsy lunge, pulse p and down
40 sec	Rest, switch sides		

Repeat on right

End→Lower down onto knee, sit back for rest+ water

Circuit #4- lower body -> 4 Core + Glutes- Band on upper thighs. Start on right side, repeat starting from last exercise to first ↓↑ (10 sec rest between each exercise)) 8 min

Duration	Move	Transition Cue	Movement
1 min	rest	Lay on right side of the body, facing the volleyball courts. Cue next exercises, start	
40 sec	Clamshells openers (L)	Lay on right side of the body facing the volleyball courts, leg are stacked with slight bend in knees,	rotate upper leg to “open the clamshel” and then close. Repeat
40 sec	Clamshells lifts (L)	Staying in the “clamshel” position	Lift the bended upper leg up until you feel the activation in the glute and lower back down. Repeat
40 sec	Side-body crunches (L)	Staying in the “clamshel” position	, Crunch upper leg in towards the right elbow, extend back. Repeat
40 sec	One-leg banded bridge (L)	Roll onto back	Lift heel of right leg, with left knee bend grounded to mat. Press through grounded heel with right leg resisting the band, coming up bent at 90 degrees.
40 sec	Bridge with band around Thighs	Tuck pelvis under	With feet planted on mat by the butt, exhale to lift the hips up and squeeze the glutes at the top, inhale to lower and repeat
40 sec	One-leg banded bridge (R)		
40 sec	Side-body crunches (R)		

40 sec	Clamshells lifts (R)		
40 sec	Clamshells openers (R)		

Circuit #5: standing upper body and core (10 min) (no breaks in between)

Duration	Move	Transition cue	Movement
1 min rest	Rest	Cue full circuit (Starting on right side)	
40 sec	Standing Punch-Outs	Stand with a slight band in the knees, band around wrists	Start with hands close to chest, punch out with the right hand and then with the left
40 sec	Band hold out		Straighten hands out, hold the band out extended
40 sec	Band pulse out		Pulse band extended
10 sec	rest		
40 sec	Straight biceps curl		Bring elbows tight to ribs, curl up with the band using triceps
40 sec	Serve the platter		Start with elbows by ribs, and palms facing the ceiling; extend arms up to chest height
40 sec	Band triceps ups (behind back)	Bring more of a bend to the knees	Bring band across wrist behind arm and lift up and lower
40 sec	Band outwards extension (behind back)	Band still behind back	Extend band out and in

Cooldown (10 min)

Duration	Move	Transition cue	Movement
30 sec		transition→ drink water and stay standing	
1 min	Standing Side-Body Stretch	Stand tall with feet about hip-width apart.	Reach both arms overhead. Grab one wrist and gently lean to the opposite side.

			Return to center and switch.
30 sec	Hug knees in towards chest		
30 sec	Forward fold		Soften the knees and slowly hinge forward. Let the head, neck, and arms relax. Option to hold opposite elbows and gently sway side to side.
20 sec	Downward-facing dog		
30 sec	Crescent low lunge (L)		
20 sec	Downward-facing dog		
30 sec	Crescent low lunge (R)		
30 sec	Downward-facing dog -> child's pose-> seated		
1 min	Bent-knee windshield wipers		
3 min	Shavasana	Lie comfortably on back with arms relaxed at sides.	Slow inhale through the nose, slow exhale through the mouth. Allow the body to fully relax and breathing to settle naturally.

end→ come to seated

Closing words: Thank you for coming today and working out early in the morning, amazing job!
Don't forget to wipe down your mat. See you next time!
